DESCRIPTION

Centro is Klang tallest building as well as its most modern, integrated mixed-use development, combining business, retail, leisure, dining and entertainment.

Comprising of a stylish retail podium complemented by a 29-storey state-of-the-art office tower, this development is not just a landmark for its exceptional design and unequivocal location - it's also an iconic of Klang.

Strategically located at the growth corridor of Klang, Centro sits at the gateway to the city centre with direct access to the Federal Highway and NKVE.
